"This is not a reform program. It is a war emergency program. It will enable housewives and all consumers

the vicious spiral of inflation gains new impetus through the enactment of legislation such as the Bankhead bill, the farmer will suffer equally with labor. The farmer, as well as labor, suffers first and worst of all from the effects of uncontrolled and unbridled inflation. It seems inconceivable that Congress would enact legislation which would threaten both the farmer and

## NWLB Approves Increase In Wages For 13,000 Street Car Employees

increase was within the 15 per cent cost-of-living adjustment permitted in the board's wage policy.

Average weekly earnings in January 1941 were \$40.59. No increase

The broadcast, to be made from the stage of Carnegie Hall in New York, will take place from 9:00-9:30
